

## NEW MEMBER PROBATION

New members are required to establish the following and the WCTI New Member Evaluation Committee will monitor these areas in the first year of membership:

- A commitment to transitional employment for injured employees
- Participation in the **Member Safety Audit Program**  
**MSAP** is a structured plan that will help create improved performance in our members' safety programs. Ultimately this will mean increased employee participation, reduced injuries and lower workers' compensation costs.
- Post accident and pre-employment drug and alcohol testing
- Reporting of claims to CCMSI, preferably within 24 hours, but at the latest within 5 days
- Payment of WCTI invoices in a timely fashion
- Maintenance of a positive management safety commitment
- Participation in all scheduled loss control visits
- Maintenance of group health insurance

If the above captioned criteria aren't adhered to, the Committee retains the right to take appropriate action regarding continued membership when necessary.
